

The Value of the Gale PowerSearch Platform:

- A visually stunning interface offering a familiar, Web-like experience
- Users may create individual account profiles, name and save any search in their profile, create journal alerts and customized interfaces
- Results incorporating text and multimedia in a single set, revealing what each database offers on every search
- Enhanced publication pages with more detail, cover images and easier browsing capability
- The ability to choose from Basic, Browse Subject, Browse Publication or Advanced Search
- The option to search within result lists to target specific content
- ReadSpeaker technology to listen to audio versions of articles, or download the MP3 file for listening later
- Technology to support a diverse range of languages with on-demand translation of documents
- Opportunities to locate and share information among users and their communities with Web 2.0 technology
- Options to manage documents by e-mailing, bookmarking, downloading or printing
- 24/7 access for research needs outside the library
- And much more

Expanded Academic ASAP

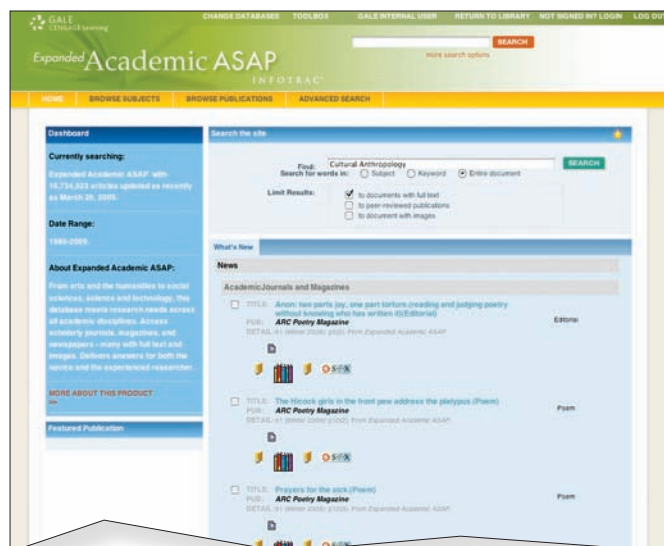

INFOTRAC®

Expanded Academic ASAP is one of Gale's premiere resources for research across academic disciplines, offering in-depth coverage of virtually any concentration — from advertising, psychology and history to microbiology, the humanities and women's studies.

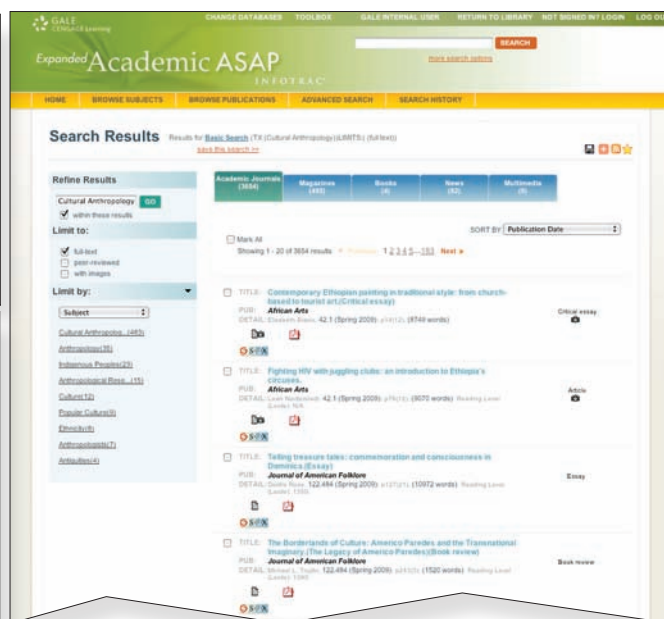

Combining indexing, abstracts, full text and multimedia, this comprehensive resource delivers detailed information in a single, seamless search.

Available on the state-of-the-art Gale PowerSearch platform, Expanded Academic ASAP provides 24/7 remote access to a balanced collection of academic sources. Perfect for a broad spectrum of students, faculty and other researchers, Expanded Academic ASAP contains more than 4,300 titles; more than 2,500 full-text titles in a wide variety of disciplines, including more than 3,000 peer-reviewed journals. Balanced coverage on a variety of subjects is available through:

- Social science journals
- Humanities journals
- Science and technology journals
- National and global news sources
- General interest magazines

▲ The homepage offers a variety of search options, including a quick basic search. Researchers can easily narrow their results by using limiters for more targeted searching.

▲ Researchers can narrow their results by Subject, Document Type or Publication Title, allowing for more targeted results.

Expanded Academic ASAP features:

- Discipline-specific titles such as ABA Banking Journal and Journal of Business Communications
- Area- and issue-specific journals such as American Criminal Law Review, Canadian Ethnic Studies Journal, Harvard Law Review, Journal of Southern History, Lancet, Literature Film Quarterly and Science
- Publications with a cross-disciplinary perspective, such as the International Social Science Review
- All-inclusive national news magazines, such as Newsweek and The Atlantic
- Renowned newspapers such as The New York Times
- A range of magazines, such as Advertising Age, Advocate, Billboard, Computer Weekly, Publishers Weekly and Sports Illustrated
- Coverage from 1980 to the present
- Cross-product searchable via Gale PowerSearch with eBooks operating on Gale Virtual Reference Library

The screenshot displays the Expanded Academic ASAP website. The main content area shows search results for the article "Children's role in meaning making through their participation in an environmental education program." The article title is prominently displayed, along with its source: "Journal of Environmental Education 39.4 (Summer 2008)". The abstract is visible, starting with "The authors conducted an ethnographic investigation of children's lived experiences in a 3-day residential environmental education (EE) program with 20 5th-grade and 5th-grade students." A sidebar on the right contains various tools like "Print", "Download", and "Translate".

A collage of documents and charts related to the article. It includes a thumbnail of the article's title page, a diagram showing a flow of information, a circular chart with various data points, and a table with multiple columns and rows of text.

This screenshot shows a translated snippet of the article from the Gale Cengage Learning interface. The text is in Spanish, starting with "Título: Papel de los niños en el significado que hace con su participación en un programa de educación ambiental." It includes a "Texto Completo" section and a "Revisión de literatura" section.

A screenshot of a social media bookmarking tool. It lists various social media platforms like Del.icio.us, MySpace, Reddit, Ask, Yahoo! Bookmarks, Stumble Upon, Furl, and Digg. It also includes options for Google, Facebook, Newsvine, Twitter, Yahoo! Myweb, Technorati, and MyAOL.

- ▲ Tools include:
- View any PDF document that may be linked to the article
 - E-mail the article in HTML or plain-text format
 - Generate citations in multiple formats
 - Share links to the article
 - Listen to the article or save it as an MP3 audio file
 - Translate the article into one of 11 languages
 - Print, download and bookmark the article
