GALE VIRTUAL REFERENCE LIBRARY

Make your reference collection jump off the shelf! Gale Virtual Reference Library is your single source for eReferences aimed at the needs of students, researchers, professionals and general readers. Now you can offer more than 7,000 authoritative, full-text titles— from Gale and a host of premier publishing partners—within 18 subject areas researchers study most.

A VIBRANT AND ENGAGING USER EXPERIENCE

User-focused navigation encourages researchers to stay longer, search deeper and find what they need faster. Features and functionalities include:

- Eye-catching book covers to engage users
- An interactive online book experience with two-page view and page flipper
- Cross-search and browse within your collection and across series
- User interface available in 34 languages
- ReadSpeaker text-to-speech technology in 19 languages
- 24/7 unlimited and simultaneous circulation of your eReference collection
- On-demand machine-aided content translations into 14 languages

Plus, users can cross-search your GVRL eReference collection via Gale PowerSearch as well as other Gale holdings including InfoTrac and specific InContext resources.

The document toolbox allows users to print or e-mail; download articles to handheld devices; create and export article citations; and translate an article into 13 languages.

SUPPORT 21ST CENTURY LEARNING

Secondary School Student: "...the book covers catch my eye... It gives me hope—makes me feel like I am going to find what I am looking for."

With its depth of features and content, Gale Virtual Reference Library is a digital cross-curricular resource that supports information literacy and the development of 21st century skills and reinforcing the critical difference between authoritative resources and consumer-published content on the web.

OUTSTANDING OUTCOMES

Secondary School Librarian: "I like the sidebar navigation because it helps students make the choice of what (subject) category they should be in."

Gale Virtual Reference Library offers coverage of virtually every academic, scholarly and professional discipline, delivering titles for all kinds of research:

- Children will enjoy full-color pages with exciting pictures, from Dorling Kindersley
- Timely Greenhaven titles for Primary and beyond
- Scholars will access the best publications from SAGE, Macmillan, and Scribner
- Educators will learn from ISTE and ASCD professional development titles
- Chose from our extensive World Culture, Health and Literature references
- Readers of all levels will value the ease-of-use and consistent approach to research

WIDE-RANGING RESEARCH

Academic Librarian: "(GVRL) has the look and functionality people will respond to—students will love it... gives a whole new perspective to eBooks and reference."

Gale offers students, researchers and professionals a wide variety of full-text interdisciplinary content on virtually any subject area to tackle their assignments, papers, projects and presentations. This depth of choice from one resource encourages users to investigate all eReference titles in your collection, to target the exact content they need. Subject areas include:
