

An *invaluable* electronic resource that offers complete student access to core academic textbooks

Cengage Learning e-textbook collections:

- **Core collection:** 23 bestselling titles
- **Psychology collection:** 10 of our most popular psychology textbooks
- **Marketing collection:** 10 titles covering all areas of marketing
- **Communication & Media collection:** 10 communication and media titles
- **Government & Politics collection:** 10 titles on world politics up to 2009
- **Arts & Music collection:** 10 of our bestselling arts and music titles
- **Study Skills collection:** 10 of our bestselling study skills titles
- **Pick-and-mix collection:** select either 10 or 20 textbooks from our complete list of over 100 titles

Key Benefits

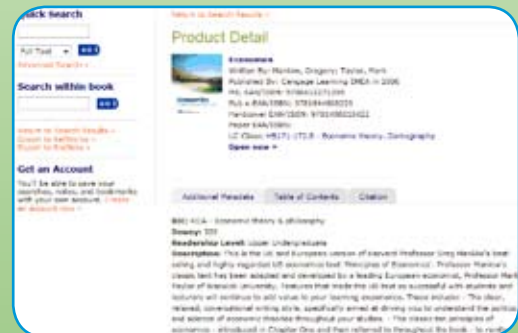

- **Textbooks are always available:** with anywhere access, Cengage Learning e-textbooks are available to students 24/7, easing the pressure on short loan collections
- **Site license:** unlike a typical “short loan” collection, Cengage Learning e-textbooks offer site-level access to all titles, thus improving access to materials at critical “exam” time. 100% student satisfaction is guaranteed!
- **Purchase today & access in perpetuity**
- **Save shelf space:** by moving the library’s short loan collection online you free up valuable shelf space and don’t have to worry about wear and tear and vandalism

Platform Features

- **Complete searching:** comprehensive full-text searching across the entire platform supported by enhanced metadata
- **Use anywhere, anytime:** accommodates both on-site and remote users
- **Multiple access levels:** a variety of secure and controlled access/authentication methods to content using broad DRM implementation
- **Help when you need it:** customer support and technical assistance available for both MAC and PC platforms through the expert MyiLibrary team

Simple Search & Navigation

The intuitive, learner orientated e-textbook platform makes searching even easier for students and means that students get more out of the texts

View actual pages and search within the text, print pages, save searches and much more
